

April 2025

Dear Shooting Enthusiasts,

Get ready to embark on an exciting journey of precision shooting as a participant in Pelham Fish and Game's Outdoor Summer Precision Pistol League. The league provides a chance to showcase your skills, connect with fellow enthusiasts, and explore the thrill of outdoor shooting competition.

Our league is a welcoming space for all shooters who follow our range safety rules. Whether you're a seasoned marksman with years of experience or a novice just beginning your shooting journey, we invite you to join this exciting event. The league adheres to the current conventional outdoor NRA bullseye rules.

The league will meet weekly from Wednesday, May 7, 2025, to Wednesday, August 27, 2025. Practice and preparation begin at 5:00 p.m., with the first shots starting at 6:00 p.m. You will participate in a standard 900 match each week.

The league meets at Pelham Fish and Game's turning target range, offering you the chance to sharpen your skills and face the competition. Please remember that the league meets weather permitting, so check the forecast before heading out. Make sure to dress appropriately.

Registration for the league is now open. The fee is \$35 for Pelham Fish and Game members and \$60 for non-members. To register, go to the PF&G website www.pelhamfishandgame.org, click on the **Facilities & Ranges** menu item, and then select **Turning Target**. In the Turning Target section, click on the **Sign-Up Form under PF&G Pistol League**. Please complete the form and email it to our Pistol Chair, Peter Fiedler, at precisionpistol@pelhamfishandgame.org at your earliest convenience. ***We need your email and cell phone information to provide cancellation notices or other important updates effectively.***

Cash or check payments will be accepted at the first match. **Please make checks out to Pelham Fish & Game Club.**
