

2024 Precision Pistol League

2024 Summer Outdoor Precision Pistol League (Bullseye)

LEAGUE GOALS: The Precision Pistol League aims to provide a *safe* and *fun* outdoor competitive shooting opportunity to Pelham Fish & Game shooters.

LOCATION: Pelham Fish & Game, turning target range.

CALIBERS: .22 rim-fire, center-fire pistol, .45 ACP. Triggers may be weighed as per NRA rules. You may shoot only one caliber per night for the entire 90 shots.

ELIGIBILITY: Pelham Fish & Game members, their guests, and non-members qualified to use the turning target range and have signed the club's Liability Waiver. *If you are not qualified to use the range, we will schedule a time to get you qualified.*

MATCHES: Each match will consist of 3x National Match Courses (i.e., 10 slow-fire, 10 timed-fire, and 10 rapid-fire) for 90 shots per match. You must shoot the same caliber for all 90 shots, but you can choose to shoot .22 only, CF only or 45cal. All matches are held pending adequate weather and daylight. Individual scores will be aggregated and reported as follows: .22 only, centerfire pistol, and .45 only.

TARGETS: Slow, for all calibers, will be fired at 50 yards (NRA long course) on official B-6 (slow fire) targets. Timed and rapid-fire will be shot on B-8 targets/repair centers. Target backers and repair centers will be provided. Turning targets will be used for the timed and rapid-fire stages.

RULES: **Current conventional outdoor NRA bulls-eye rules will apply.** This is not an NRA-sanctioned program. Competitors are responsible for being familiar with the contents of the current Pelham Fish & Game rulebooks. **An Empty Chamber Indicator (ECI) is *required to indicate that the slide is locked back, and the chamber is empty.* A brass catcher and ear and eye protection are also *required.* Smoking, as well as vaping, is ***NOT*** allowed within 25 yards of the firing line.**

CLASSIFICATION: Competitors must show a valid outdoor classification card or score record book. All unclassified competitors will initially shoot in the Master Class and then be reclassified based on actual scores.

SCORING: Please bring a medium-duty stapler, target repair pasters, a small clipboard, a pencil, and hand wipes. ***Do not attend if you feel ill.***

SCHEDULE: Wednesday nights from May 1, 2024, through August 28, 2024, inclusive. Practice will start at 5:00 p.m., and relays will start at 6:00 p.m. ***SHARP!***

2024 Summer Outdoor Precision Pistol League (Bullseye)

LEAGUE FEES: The all-inclusive registration fee per shooter will be \$35.00 for members and \$60.00 for non-members.
