

## 2026 Precision Pistol League

### 2026 Summer Outdoor Precision Pistol League (Bullseye)

**LEAGUE GOALS:** The Precision Pistol League aims to provide Pelham Fish & Game shooters with a *safe, fun*, outdoor competitive shooting opportunity.

**LOCATION:** Pelham Fish & Game, Turning Target Range.

**CALIBERS:** .22 rim-fire, center-fire pistol, .45 ACP. Triggers may be weighed in accordance with the CMP rules. You may shoot only one caliber per night for the entire 90 shots.

**ELIGIBILITY:** Pelham Fish & Game members, their guests, and non-members who are qualified to use the turning target range and have signed the club's Liability Waiver. *If you are not qualified to use the range, we will arrange a time for you to get qualified.*

**MATCHES:** Each match will consist of 3x National Match Courses (i.e., 10 slow-fire, 10 timed-fire, and 10 rapid-fire) for 90 shots per match. You must shoot the same caliber for all 90 shots, but you can choose to shoot .22 only, CF only, or .45 caliber. All matches are held pending adequate weather and daylight. Individual scores will be aggregated and reported as follows: .22 only, centerfire pistol, and .45 only.

**TARGETS:** Slow, for all calibers, will be fired at 50 yards (NRA long course) on official B-6 (slow fire) targets. Timed and rapid-fire will be shot on B-8 targets/repair centers. Target backers and repair centers will be provided. Turning targets will be used for the timed and rapid-fire stages.

**RULES:** Current conventional outdoor CMP bulls-eye rules will apply. This is not a CMP-sanctioned program. Competitors are responsible for being familiar with the contents of the current Pelham Fish & Game rulebooks. **An Empty Chamber Indicator (ECI) is *required* to indicate that the slide is locked back and the chamber is empty. A brass catcher and ear and eye protection are also required. Smoking, as well as vaping, is *NOT* allowed within 25 yards of the firing line.**

**SCORING:** Please bring a medium-duty stapler, target repair pasters, a small clipboard, a pencil, and hand wipes.

**SCHEDULE:** Wednesday nights from May 13, 2026, through August 26, 2026, inclusive. Practice will start at 5:00 p.m., and relays will begin at 6:00 p.m. **SHARP!**

## 2026 Summer Outdoor Precision Pistol League (Bullseye)

**LEAGUE FEES:** The all-inclusive registration fee per shooter will be \$30.00 for members and \$65.00 for non-members.
